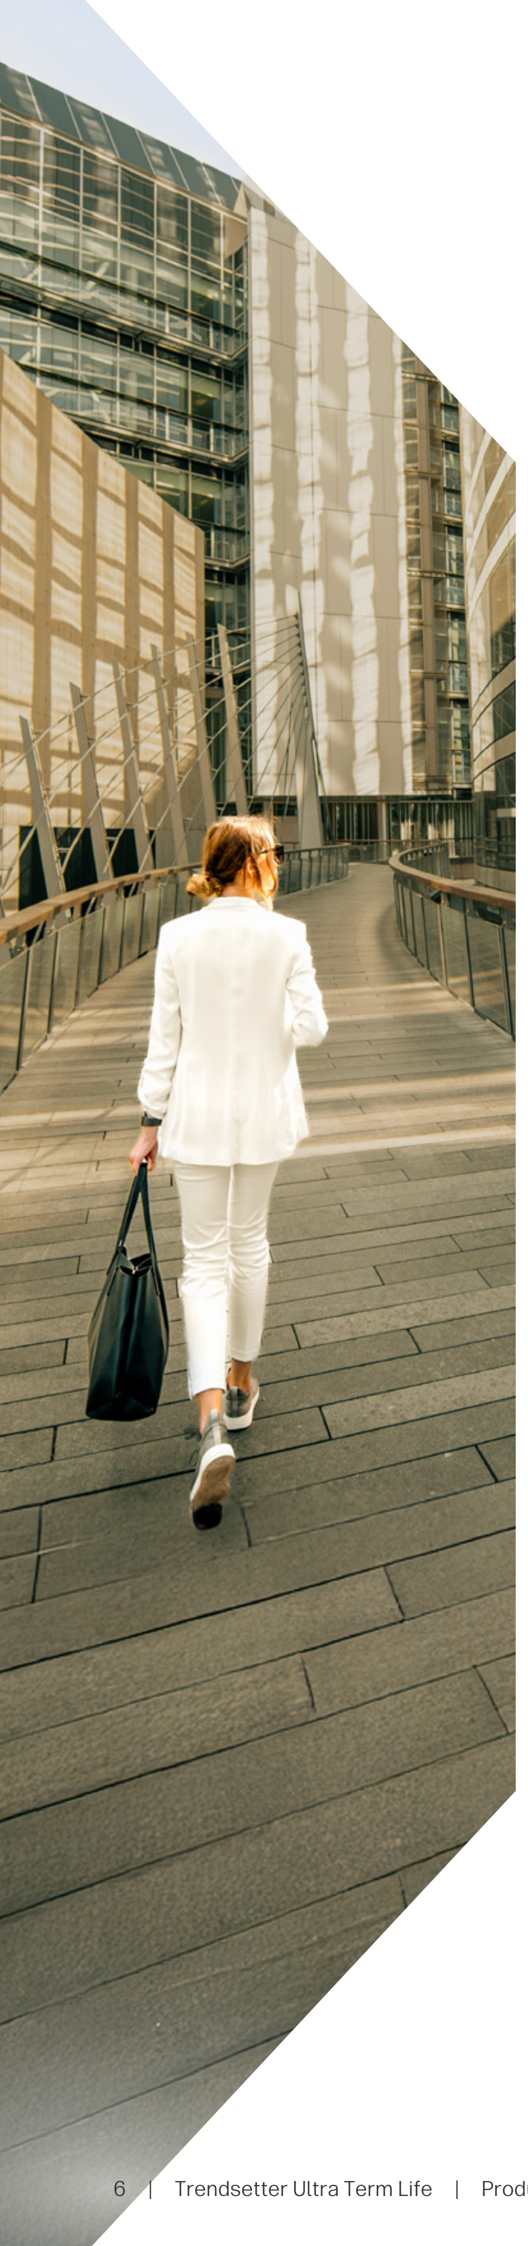
Why Trendsetter Ultra (Bermuda)?

Trendsetter Ultra (Bermuda) is a term life insurance product that provides substantial protection levels to meet the needs of affluent and HNW individuals.

As an achiever, you are a pillar of strength for your family and your business. You recognise the need to protect your family and business, and to ensure they are protected from financial burden in the event of unexpected death.

You need high insurance coverage, but at the same time, you want to maintain liquidity for other priorities. Or you may only need life insurance protection for a specific period of time – and do not need or want the long-term commitment required by permanent insurance policies.

Trendsetter Ultra (Bermuda) may be the best suited solution for your needs.



Trendsetter Ultra (Bermuda) key highlights

With Trendsetter Ultra (Bermuda), you will enjoy:

Flexibility to select your protection level and period of cover

- Customise your life insurance benefit and protection period to match your unique requirements. Choose from a wide range of guaranteed protection periods, starting from 5 years with a choice of any duration up to the insured's age 80. Or you may choose term to age 90 / 100 for insureds aged 40 and above. You select how much protection you need, tailored for exactly the length of time you need it.

Protection for your loved ones

- Safeguard your family's future lifestyle and wealth in the event of unexpected death. Provide for your inheritance planning, protect your children until they become independent, or repay any outstanding obligations.

Protection for your business

- Ensure your business continuity, mitigate risk, and minimise the disruption from the loss of a key employee, a business owner or partner. Enable your business loans to be repaid in the event of an unexpected death of a key employee. Design your protection to fund a partnership buy-sell agreement and support an orderly succession strategy, ensuring the desired outcome occurs.

Guaranteed and affordable premiums

- Premiums are guaranteed to remain unchanged throughout the selected policy term (excluding any renewal periods). Plus, the premiums are economical because you can tailor the protection period to precisely match your specific needs.

Cover extension

- **Conversion option**[2]

  Convert the base plan to a permanent life insurance policy at or before the end of the selected policy term or insured's age 70, whichever is earlier. Further evidence of insurability will not be required.

- **Automatic renewal guarantee**[3]

  Renew the base plan, the Accidental Death Benefit and/or the Total and Permanent Disability Benefit (if applicable) on a yearly basis after the selected policy term, up to insured's age 100 (in respect of the base plan) and insured's age 70 (in respect of the Accidental Death Benefit and/or Total and Permanent Disability Benefit). Further evidence of insurability will not be required.

  The yearly renewal premiums charged will be based on the prevailing premium rates of the insured's attained age at the time of renewal which are not guaranteed and are subject to change on a yearly basis at our sole and absolute discretion. Transamerica Life Bermuda's actual experience and outlook with respect to investment returns, claims, lapse and expenses will be the factors leading to such change.

Supplementary benefit(s) for additional protection (subject to additional premium)

- Enhance your protection by adding on additional benefits to meet your needs:
  1. Accidental Death Benefit – provides additional payment in case of accidental death
  2. Waiver of Premium Benefit – premium waiver on the base plan and supplementary benefit(s)
  3. Total and Permanent Disability Benefit – accelerated payment from the sum assured of the base plan in case of total and permanent disability

Currency risk

The currency of Trendsetter Ultra (Bermuda) is the U.S. dollar. That means the payments you make and the benefits paid out from the policy are both in U.S. dollar. As the value of the U.S. dollar fluctuates against other currencies, if your home currency is not the same as your policy currency, the payments you make or receive may be worth more or less over time when expressed in your home currency.

Inflation risk

As a result of inflation, the benefits you receive in the future may not be worth as much in relative terms as they are today.

Policy exclusion for suicide

If the insured commits suicide within 2 years from the date of issue of the policy, we will not pay the death benefit. We will only return the premiums you paid for the policy up to that time.

Exclusions of supplementary benefit(s) Applicable to Accidental Death Benefit

No amount will be payable if the insured's death results directly or indirectly from:

- Suicide or any attempted suicide, while sane or insane;
- Any poison or gas voluntarily or involuntarily, accidentally or otherwise taken, administered, absorbed, or inhaled;

- Participation in insurrection; or
- War, declared or undeclared, or any act of war.

Key product risks

1. The claim is made after the death of the insured; or

2. The total and permanent disability already existed on policy effective date or reinstatement effective date (if any); or

3. The total and permanent disability arises directly or indirectly out of:

   (a) attempted suicide or self-inflicted injuries while sane or insane;

   (b) travelling on a non-commercial airline except military aircraft; or

   (c) an activity that has been specifically excluded under your policy or any endorsement thereto.

Other exclusions and limitations

Your policy may be subject to certain exclusion endorsements if the insured engages in high risk activities, as an occupation or otherwise. Such endorsements will be attached to your policy contract and form part of your contract with us. Please refer to the terms of such endorsements for details of how our liability will be limited in such circumstances.

In addition, please refer to the policy application form and policy contract for the exact terms and conditions and take particular note of those terms where we will not pay the policy benefits (including but not limited to circumstances where we are required to take certain actions to meet our compliance obligations in any jurisdiction).

Important notes

Late payment or non-payment of premium

We provide a 31 calendar day grace period for you to pay premiums after the premium due date. If you do not pay the premium due before the end of the grace period, your policy will lapse and you will lose all of your life protection.

Early termination of the policy

Trendsetter Ultra (Bermuda) is a pure protection life insurance product designed to be held for the selected term. There are no guaranteed cash values or policy dividends. As this product has no savings or investment feature, there is no cash value if the policy ends or if the policy is terminated prematurely.
